## HVAC Capital Campaign

Dear Church members, family and friends,

The church is purchasing a new HVAC (Heating, Ventilation and Air Conditioning) system to be installed this fall. This is a very large improvement project, with the total cost estimated to be \$450,000. Major portions of certain church reserve funds, plus \$50,000 from the church Endowment Fund, will provide funding for \$375,000 of the project cost. The remaining shortfall of \$75,000 is hoped to be raised from members and friends of the church utilizing a Capital Campaign that will run from May 22<sup>nd</sup> through August 31<sup>st</sup> of this year.

If you would like to help ensure that our church building is adequately heated and cooled, please consider donating to this special campaign.

There are multiple ways you can donate -- either by writing a check to "First Presbyterian Church" and putting it in the collection plate, mailing it to the church at 113 W. 5<sup>th</sup> Street, Junction City, KS 66441, or dropping it off at the church office. You can also donate on line using the "Giving" tab on the church website, or you can pay by cash. Just be sure to note with your payment that your donation is for the HVAC Capital Campaign.

Thank you for your continued support!
